

## PROGRAM/SERVICES INDEX

This index listing provides a general guide to locating summary information on programs and services noted in the operating budget document and also refers readers to the Capital Improvement Program (CIP) document. This listing is not intended to be a comprehensive program and service guide, however. Additions/revisions to the listing should be forwarded to the Office of Management and Budget for inclusion in future budget documents as the Office works to improve programmatic and service information and performance data in future budgets.
